„I've
hit the
bottom...“

Why does
that idiot
got to wear
nicer clothes
than me?!

Or I'll just
pass for
a porno
book!

I'll have to
steal some
stuff. Or maybe
find some
teen to pay me for
dates!

LADY
YAC!

I HATE
YOU,
DADDY!

You want
some?

Money.

Hey,
you two!

What are you talking about?

.....

It really seems like they aren't trying to cheat us somehow.

They are more

There!

Let's stay with it for now...

Should have known those two would pull something like this.

What should we do?

Whuh?

That's a ordinary mirror. And there's a cross behind it.

Don't look at it!

Ohhhh!

I was right, those two are incredible.

But...
I, I don't
really want
to use them.

Why
not?

Will be
on the
auction
block!

Tonight,
these two...

It's too
late for
that...

I feel
sorry for
them...

To do such a
thing to those
cute girls...

If we betrayed
them, there
would be no
where for us
to run to.

We're mixed up
with some very
powerful people
in Miami.

Heh.

Have you
forgotten all
the girls before
these two?

OH MY
GOD!

I PRESENT TO
YOU,
CATHERINE
AND JANET!

SUPER
OLD MAN
SEXUAL
HARASSMENT
KICK!

OOMPH!

Is this
your
doing?

What the
hell are they
doing?

Have you
all gone
senile?

Why the
fuck does he
have a higher
bid than me?

MIAMI
POLICE
OFFICERS!

And every single
one of you assholes
is under arrest!

They're
police
women!

Impossible!

Hah...

You really think you can arrest all of us?

What? Just two policewomen?

Heheheh heh...

Heh-AHHHHH
HAHA!

And even if you did...

We'd easily be able to cover it all up.

I'm afraid we can't just let you leave.

And since you know our little secret here...

There's a problem, boss!

You guys on the other hand...

We're going to have no problem leaving safely.

And, in order
to do that,
they have no
qualms of
killing any
criminal they
come across.

All they care
about is rescuing
the hostages.

And as soon
as I signal
them, they
will rush in
here full
force.

They're just
stopping by
because of
the kidnapping
stuff.

Yao and I
will probably be
the only survivors.

In
short,

Let's get
this started
then, push!

Sh...

Um...

I know,
but hit them
with the full
force of
everything
you've got.

Let's get
in there!

The
signal!

Well, they
won't cover
it all up

Say, how exactly
are they going
to cover all
this up!

And perhaps
a few other
problems will
come to
them soon.

They will
surely be damaged
for awhile.

Wow...

It's a
huge
scandal!

This is going
to have a huge
impact on the
financial world!

But if they're all been taught...

It's decided then!

Maybe there are still some bad guys on the loose!

Fuck that!

Let's go have a look around for awhile.

Thank you for your business.

Every
rose has
its thorns.

That someone
like you would
be smuggling
weapons into
Miami.

Sell...
it's hard
to believe...

Especially...

The most
beautiful
ones.

TOUJO,
NAGISA?!

You're...

I see
now...

Wait...

It
can't be...

You...

She's figured
me out
now...

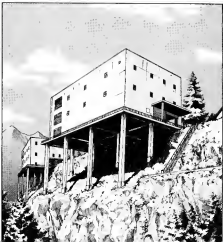

Danger

They have
some plastic
explosives...

And a
lot of
cable...

Don't worry.
We're not
even known to
disappear.

So I'm going
to blow it
to bits.

There's lots
of flammable
things in this
storehouse

G-4?
What are you
game to?
Throw it at
them?

I have to
rely on you
this time.
Yes...

And on the count
of three, I need you
to get the hell out
of here

LU!

WE WILL
ABSOLUTELY...

グオオオオ

ハッ

When they beat me
they used
to mock me
and call me
boss!

These
guys...!

It will
always be
with me!

I will
never
forget!

The cruelty
in her eyes
is intense!

I'll
remember
this!

You lacking
enemies!

You
Sakurabaru
will die!

I will
get my revenge!

Battle Run in Hell

Your spilt blood
will atone for
your crimes

Hahhahhah

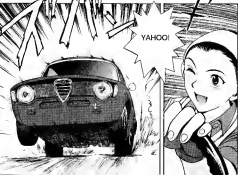

It begins
now

Fufu, No one can do

Getting sleepy...

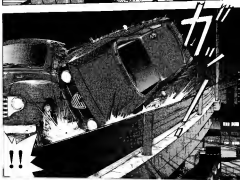

I have no
regrets sending
police to hell!

I fall into
the abyss!

Don't take
this beautiful
garnus lightly!

You're
the one
who's
going to
hell!

Could you
not to
under-
estimate
me?

!?

fuuck!

What's wrong?
You're dumbly
got it.

What's
that police
off?

Left

Page...

We gotta move!
We don't
have much
time left!

I know what
this guy is trying
to do now!

The repair job
on his car was
finished, so he's
out test driving
it on highway 12.

The
chief?

HE'S
WHERE?

Oh hey
Lu. What's
up?

Hello,
Miami police

What was that?
It's not like
Lu to be confused
like that

Answer the
phone.

About three months or so back, he was driving up in these parts with his little sister.

I'm taking you to your death-bed, of course!

She wasn't wearing a seatbelt and went flying out of the car and over the cliff.

He was overestimating his driving ability and took a curve too fast, colliding with a guardrail.

THIS IS YOUR FAULT!!

At the same time, another car passed by the accident and stopped to help. He blamed the new arrival.

**FOUND
THEM!**

But they're
a little late
this time!

But at
this rate...

I could stop
them if we
got to the
cave first.

HERE WE
GO!
HANG ON!

I can't be
caught. I'd
make Lipko
suff...

I'll just have
to escape...

Don't think for
one second that
I'm going to let
you get away

YOU'RE THE
ONE WHO
NEED TO BE
CHASTISED!

I'M NEVER
IN WRONG!
I'M ALWAYS
RIGHT!

Heheheh
What'd you
say to me?

Are you
trying to
challenge me?

**AND YOU
ACTED LIKE A
GODDAMN
SPOILED
BRAT!**

...You
couldn't
do it...

I hope
you can
see that now

Your sister's
death was
your fault

You made
us cry...

Not only
that...

TRAP

You've got
ice and milk
at least
don't you?

Make me
an iced
milk

It's hot as hell
out there.
I just want to
rest before we
head to the
beach.

Young lady..
All we serve
here is pass colored
latte and tea.

Please
else..

My lounge
words
wander.

I'll get it
out for you
if you want.

Heh..if you
want milk
why don't you
just use that
chest of yours?

Whaaa
aaa?

I was hit
a fly at
2000 feet.

Who's Maria Rose?

Hah
You two
sure are
careful

Hey!
What are
you pushin'
me for?

Come back
here and I'll
give you the
full details.

The plan is
to rob the
Southern Miami
bank.

Now that
you two are
here we're
good to go

This is a huge
pile. If we pull
it off, each of
us gets a million
a piece

With you two
on board, we won't
have to worry
about fucking
this up.

There's not a man
alive in this business
that hasn't heard
of Maria Rose.

Come on,
We'll do
something
like that.

Come on!
This isn't the
time to be
wandering
around town.

Yes...

So these
must be the
Marie Rose
Sisters.

Sorry
to have
kept you
waiting.

Beautiful
and beautiful.
What an
interesting
combination.

Hehehe...

It's also best if
I handle their
bets a bit
too.

When I'm in front
of a beautiful girl
I can't help but
tease them.

What a
strange
man...

You
know.

If you ever
want to kill
me just
let me know.

Well,

And with
a beauty such
as yours, I
just had to.

What the hell is going on?

Why the fuck didn't we hear anything about another undercover group?!

We've been setting up this sting for three years!

It must be true that I met him!

Faso is a police officer too!

I'm glad

But...

FUCK!

QUICK!

What? I
heard you two
were professional
billion!

You couldn't
even hit
us!

Look over
there!

Wrong!

They
can what?

Can dodge
bullets...

Those
two...

Her
look?

I bet you're
only missing my
hair.

They can analyze
the trajectory of
the bullet based
on where the muscle
is pointing when
you fire.

Too
your shooting
arm...

Let's say
we adjust
it a bit.

They're
basically
invincible!

So they
have perfect
aim and
defense...

There's no
such thing as
a perfect defense.

But...

You exposed yourself too much before your shot.

You two trusted your defense too much.

Impossible...
Gull...
Gull! Not me...

But I...
Moved... out
of the trajectory

And to...
the...
Same time...

In strength
and beauty!

In short,
that just means
I'm one step
above you two.

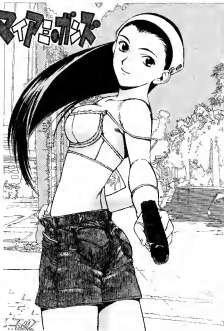

And with that,

CLOSED!**

MISS DJ MIAMI FM ON AIR

GOOD
MORNING
MIAMI!

Today, we've
got some great
music, and some
hot talk from
around the city

You're listening
to Mario Asami
on 89.3, M.I.F.M.

It looks like
the main topic
of today's news
is the Mifuru
Police.

There have
been an increasing
number of sexual
attacks on
government
buildings this
month.

And so far,
it seems the
Mifuru Police
have no means
to stop these
attacks.

So what do you
think? Is the
city a place at
risk? We'd like
to hear from the
listeners, so call
in and let us know!

But for now, I'd
like to introduce
our two big
guests for the
day.

And
Officer Personal

WILLIAM
P. 26

Known to
some people
as the "Mifuru Guard"
and to others as
the "Mifuru Hoodlum,"
Officer Sakuradogai!

Like this one.
They believe
that the Miami
Police are just
plain useless.

We've
received a lot
of letters from
listeners today.

What do
you think of
that?

It's about the
Miami Police's
general ability.

but, enough
on that. I want
to go to our
main topic.

IF YOU'VE GOT
A GOD DAMN
COMPLAINT, COME
TO THE STATION
AND DO IT IN
PERSON!

YOU BUNCH
OF GUTLESS
COWARDS!

What else
really is a
small animal

And you too,
Mr. CUP Don't
just say whatever
the hell you want!

I don't even think most of the cultists know who the leader is now.

However, no one has any idea who their new leader could be.

It seems they weren't told in case they're arrested.

Since then, the remaining members have continued cult activities in an underground manner.

"Adam's Servants" was a religious cult that was dismantled five years ago. Their leader committed suicide.

It is estimated there are at least 3,000 active members.

The cultist!

All the cultists under surveillance apparently listen to the radio quite often.

Furthermore, all surveillance we've conducted against members of the cult have indicated they don't even contact each other.

However, we did find out something rather interesting.

Step up the surveillance!

I listen to the same radio! What does that have to do with anything?

YOU FUCKING MORON!
WHY'D YOU
SAY THAT
SHIT ON
THE AGENT!

If you
care that
much you
should've gone
yourself!!

You're
all useless!

We're
back.

Fuku
arrest?

Um...
Isn't this
what you
asked...

Well?
WELL?

Surely even
you aren't
dumb enough
to claim that
without
evidence...

Of course!
You are so
right! So so
so so right!

How can
you arrest
someone
without
evidence?

Why, the
evidence is
right here.

It's not
showing
anything!

And in each
of the radios
we found a chip
that was designed
to decode a
certain signal.

We found
radios on all
the outlets
we entered.

Like the
one on
this record.

But if we
add in this
broadcast
tape...

Yep, it's
radioactive like
that.

THIS
IS..!

!!

This is...

Nothing!
It's a public
broadcast!

Do you two
even know
what you're
doing?!

Fufufufu

Fufufu

Now let's make
sure our lead
express this
her special
seat!

Let
the
music...

BEGIN!

Capri! Looks
like it's
the chief's
backyard.

WHAT
THE FUCK
ARE YOU...

I'm just
sending out
a little message
to all the
listeners.

What the
hell is
going on?

In other words,
the door you're
sitting in front
of.

I want them
to feel an attack
on the Miami Police
Station. Specifically,
interrogation room
number one.

Well, it's
mostly directed
at all the
cops.

And we won't
have blood on
our hands,
So it's
win-win
right?

Then you
won't die,
right?

It's an order
from the boss.
Let's get
moving!

You think
we should
really do
this?

YAHHHH!

IT'S ME!

I'm the
one who's
been
commanding
them!

Playing it
double speed
in reverse!

What is the
activation
trigger for
the decade?

Yeah
We're
good!

On the other
side of the
door.

Three men
with guns.

Wasn't
really from
heaven was
it?

Looks like
the message
I sent you
guys...

And with that,
**CASE
CLOSED!**

Message from the Translator:

Hey guys, hope you're enjoying this. Volume 2 already done with!

I'm moving fast with no signs of burning out yet.

So hopefully I can keep this speed up for the last two volumes.
